The Honorable Patrick J. Fuchs
Chairman
Surface Transportation Board
395 E Street SW
Washington, DC 20423

Subject: Support for Union Pacific and Norfolk Southern Merger, Docket Number: FD 36873

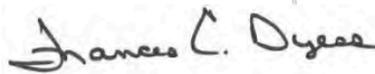

Dear Chairman Fuchs:

As a community stakeholder in Houston, Texas, reliable rail service is essential for our local economy, businesses and residents. The proposed Union Pacific–Norfolk Southern merger offers an opportunity to strengthen these connections and deliver long-term benefits.

The merger promises faster, more dependable service, reduced congestion and expanded market reach for our businesses. It also means continued investment in rail infrastructure – enhancing safety, creating jobs and ensuring our community remains competitive in a growing economy.

On behalf of The Houston East End Chamber of Commerce, I respectfully ask the Surface Transportation Board to approve this merger so we can take advantage of the efficiencies, investments and opportunities it will bring - connecting our communities regionally, nationally and across the globe.

Sincerely,

Frances Castañeda Dyess, President
Houston East End Chamber of Commerce
